By attending as an observer (promo or paid), you understand that the ballroom is a classroom first and in order to maintain a safe, positive and productive learning environment, proper classroom etiquette is expected. We want to be transparent and enjoy having observers see what we are doing in the classroom. However, students can be easily distracted and in order to get the most value out of the classes we recommend that no more than one observer per dancer/group be in the classroom at any time. Use of an observer band is at the discretion of Tremaine Dance and may be revoked (with a refund if paid) due to disruptive behavior (including but not limited to excessive talking, phone calls, sibling playtime and/or social gathering/event in the classroom) at any time with or without notice in Tremaine's sole discretion.
